

## Praying Against Opposition from People

Father, I come in Jesus name with praise and thanksgiving. Father I am facing opposition and it's coming through people.  
I ask You to bless me with discernment of their mischief. I ask You to bless me with wisdom in dealing with the person or people.  
Bless me to answer them with a strong response.  
Finally, Father help me to stay on the wall and not come down and get involved with this nonsense just like Nehemiah.  
I ask it all in Jesus name ~ Amen
