

Prayer for Diligence

Father, I come to you with thanksgiving and praise.

I ask that You bless me to be like liquid, flow easily in and out of business.

Bless me to be prompt, skillful, ready, and smooth in all of my business affairs. Father as I “abound in everything” in my life, I ask that You bless me to do it with earnestness, eagerness and zeal.

Finally, I ask You to help me to search You out, to crave and seek after You. I thank you for doing this work in me.

In Jesus Name ~ Amen
