

Prayer – Long Term Scenarios

Father, I come with praise and thanksgiving.

I'm in a long term scenario. I ask in Jesus name that you help me to seize and fasten onto You. Help me to continue on in thee. I ask at the end of this I will not be disappointed, confounded or confused. I will not feel worthless. Father, I ask that you will bless me to have rest in You and keep Your ways. And finally, I ask when it's over I will inherit the land and receive Your blessing.

In Jesus Name,
AMEN
